If you sign in with a Microsoft account, your progress is stored in the cloud so you can play the game on any device without missing a beat! Let me start by saying that I only play the daily challenges, but I love them and have been playing for 2 years now.. It's like having to learn the game all over again, and I'm very unhappy Also, now the tiles that are playable are lit up while the ones still blocked are in shadow.. I know how to play solitaire mahjongg, I don't need any 'help' as it were It's just another distraction. [Erased Anime Episode 1 English Dub](#)
